(1) The documents executed in Mysore and intended for use in Turkey and Hejaz-Nejd and dependencies have first to be legalised by His Britannic Majesty's Charge d'Affairs at Constantinople and His Majesty's Legation at Jedda respectively before the Turkish Authorities and the Hejazi Ministry for Foreign Affairs could accept such documents for use in their countries.

(2) In order to facilitate such legalization authentic documents drawn up in Mysore and destined for use in the countries specified above must carry the seal and signature of the Chief Secretary to the Government of His Highness the Maharaja of Mysore.

(3) All documents intended for such use should be presented to the Chief Secretary to Government, for needful action in the manner referred to above. The documents presented for legalization and production in Hejaz Courts should be accompanied by an Arabic translation as required by the Regulations of that country.
